CROSSOVER #12 will bring the story to a close with a massive battle that will determine the future of the Marvel Universe. The Avengers, the X-Men, and the Guardians of the Galaxy will all be present, along with a host of other heroes and villains. The stakes have never been higher, and the fate of the world hangs in the balance.

CROSSOVER #12 is a must-read for fans of Marvel Comics and superhero stories in general. It is a groundbreaking event that will change the Marvel Universe forever.

**The Story So Far**

CROSSOVER began with a group of ordinary people who discovered a strange portal in the woods. The portal led to the Marvel Universe, and the people who stepped through it found themselves caught in the middle of a war between the Avengers and the X-Men.

As the war escalated, the people from the real world were forced to choose sides. Some joined the Avengers, while others joined the X-Men. Still others tried to remain neutral, but the war soon engulfed the entire world.

In CROSSOVER #12, the war will reach its climax. The Avengers and the X-Men will face off in a final battle that will determine the fate of the world. The people from the real world will also be forced to make a choice: will they side with the Avengers, the X-Men, or will they try to find a way to return to their own world?

## **The Characters**

CROSSOVER features a cast of characters from both the Marvel Universe and the real world. The Avengers are led by Captain America, Iron Man, and Thor. The X-Men are led by Cyclops, Wolverine, and Jean Grey. Other characters include Spider-Man, the Hulk, Black Panther, and Captain Marvel.

The people from the real world are a diverse group of individuals who come from all walks of life. Some are heroes, while others are villains. Some are ordinary people who are caught in the crossfire, while others are willing to fight for what they believe in.

## **The Stakes**

The stakes in CROSSOVER are higher than ever before. The fate of the Marvel Universe hangs in the balance, as well as the fate of the real world. The Avengers and the X-Men are both fighting for what they believe is right, but only one side can win.

The people from the real world are also caught in the middle of this conflict. They must choose sides, and their choices will have far-reaching consequences. CROSSOVER is a story about the choices we make, and the consequences of those choices.
