This book is packed with over 100 puzzles of varying difficulty levels, making it perfect for kids from 3 years old and up. Each puzzle features a group of objects, and your child's task is to find the one that doesn't belong. This simple yet challenging activity helps develop your child's visual perception, problem-solving skills, and logical thinking.

The puzzles are presented in a clear and concise manner, with colorful illustrations that will capture your child's attention. And because the solutions are included in the back of the book, you can rest assured that your child will be able to learn from their mistakes and improve their skills over time.

Not only is this book fun and educational, it's also a great way to bond with your child. You can work on the puzzles together, or let your child complete them on their own. Either way, you're sure to have a blast!

Benefits of the Children First Odd One Out Activity Puzzle Book

- Helps develop visual perception
