The book begins with an overview of the European exploration of the Americas, from the Vikings to Columbus. It then follows the Spanish conquest of Mexico and Peru, the Portuguese colonization of Brazil, and the English settlement of North America. The book also examines the impact of European colonization on the indigenous peoples of the Americas, and the development of slavery and the plantation economy.

Columbus and the Journey to the New World is a richly illustrated book that features more than 100 maps and images. The book also includes a

timeline of key events, a glossary of terms, and a bibliography for further reading.

This book is an essential resource for anyone interested in the history of the Americas. It is a comprehensive and authoritative account of a period that shaped the world we live in today.
