

Corruption, Violence, and the Poverty of Nations: A Scathing Indictment of the Global System

By Dambisa Moyo

Corruption, Violence, and the Poverty of Nations is a groundbreaking book that exposes the deep-seated corruption and violence that are at the root of poverty in many developing countries. The book's author, Dr. Dambisa Moyo, argues that corruption and violence are not simply symptoms of poverty, but rather the cause of it.

Economic Gangsters: Corruption, Violence, and the Poverty of Nations by Edward Miguel

Moyo provides a wealth of evidence to support her claims, drawing on her own experiences as an economist and researcher in Africa. She shows how corruption and violence stifle economic growth, create insecurity, and undermine the rule of law. She also argues that the international community

has often been complicit in the perpetuation of corruption and violence in developing countries, by providing aid and support to corrupt regimes.

Corruption, Violence, and the Poverty of Nations is a powerful and disturbing book that challenges the conventional wisdom about poverty. Moyo's analysis is clear-eyed and unflinching, and she offers no easy solutions. However, she does provide a roadmap for change, arguing that the international community must take a more active role in combating corruption and violence in developing countries.

Praise for Corruption, Violence, and the Poverty of Nations

"A powerful and disturbing book that challenges the conventional wisdom about poverty." - The New York Times

"Moyo's analysis is clear-eyed and unflinching, and she offers no easy solutions. However, she does provide a roadmap for change." - The Washington Post

"A must-read for anyone who wants to understand the deep-seated problems that plague developing countries." - The Economist

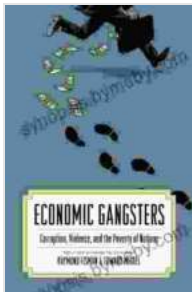

About the Author

Dambisa Moyo is a Zambian economist and author. She is a former economist at the World Bank and Goldman Sachs. She is the author of several books, including *Dead Aid: Why Aid Is Not Working and How There Is a Better Way for Africa*. She is a frequent commentator on economic and political issues in Africa.
