Downstairs the Queen is Knitting is a historical novel that takes a unique look at the British royal family from the perspective of the servants who worked belowstairs. The novel is full of fascinating details about the royal family's daily life and the behind-the-scenes stories that shaped some of the most famous moments in British history.

The novel is narrated by Sarah Jenkins, a young woman who starts working as a maid at Buckingham Palace in the early 1950s. Sarah quickly learns that life belowstairs is a world of its own, with its own rules and customs. She also learns that the royal family is not as glamorous as they appear to be from the outside.

Sarah witnesses firsthand the Queen's love of knitting, a hobby that she uses to relax and de-stress. She also sees the Queen's close relationship with her staff, and the way that she treats them with respect and kindness.

Downstairs the Queen is Knitting is a warm and funny novel that provides a unique glimpse into the lives of the British royal family. The novel is full of fascinating details about the royal family's daily life and the behind-the-scenes stories that shaped some of the most famous moments in British history.
