

From the Heart: A Journey Through India's Political and Literary Landscape

By Sudhir Hazareesingh

From the Heart is a book that explores the political and literary history of India. It is written by Sudhir Hazareesingh, a professor of politics at the University of Oxford. The book provides a unique perspective on India's past and present, and it is essential reading for anyone who wants to understand this complex and fascinating country.

Hazareesingh begins his book with a discussion of the Indian National Congress, which was founded in 1885. The Congress was a major force in the Indian independence movement, and it has played a leading role in Indian politics ever since. Hazareesingh provides a detailed account of the Congress's history, and he offers a nuanced analysis of its strengths and weaknesses.

In addition to its discussion of the Congress, *From the Heart* also explores the literary history of India. Hazareesingh discusses the work of some of India's most famous writers, including Rabindranath Tagore, Mulk Raj Anand, and Salman Rushdie. He argues that Indian literature has played a vital role in shaping the country's political and cultural development.

From the Heart is a well-written and informative book that provides a unique perspective on India's political and literary landscape. It is essential reading for anyone who wants to understand this complex and fascinating country.

Reviews

"*From the Heart* is a masterful work of scholarship and a deeply personal account of India's political and literary history. Sudhir Hazareesingh has written a book that is both intellectually stimulating and emotionally resonant. It is a must-read for anyone who wants to understand India." - Pankaj Mishra, author of *The Age of Anger*

"A brilliant and insightful book. *From the Heart* is a must-read for anyone interested in India's past, present, and future." - Shashi Tharoor, author of *The Great Indian Novel*

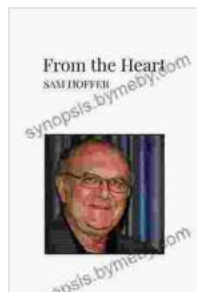

"Sudhir Hazareesingh has written a book that is both timely and timeless. *From the Heart* is a valuable contribution to our understanding of India, and it is sure to become a classic." - Amartya Sen, Nobel laureate in economics
