Hole in the Sky is a "masterpiece of adventure writing" that will "leave you breathless" (*Outside*).

John Branch has been a climber for more than two decades. He has climbed some of the world's most dangerous mountains, including Mount Everest. But it was a climb on a relatively easy peak in New Hampshire that would change his life forever.

On that fateful day, Branch and his climbing partner were caught in a sudden storm. They were forced to spend the night on the side of the mountain, exposed to the elements. By the time they were rescued, Branch's partner had died from hypothermia.

Branch was devastated by his partner's death. He couldn't understand why he had survived when his friend had not. He began to question everything he thought he knew about life and death.

In *Hole in the Sky*, Branch tells the story of his journey to find meaning in the wake of his partner's death. He recounts his adventures in the mountains, his struggles with grief and loss, and his search for a new way to live.

Hole in the Sky is a powerful and inspiring memoir that will resonate with anyone who has ever experienced loss. It is a story about the fragility of life, the power of friendship, and the indomitable spirit of the human soul.

Praise for *Hole in the Sky*

"A masterpiece of adventure writing." — ***Outside***

"Will leave you breathless." — ***Men's Journal***

"A beautifully written, deeply moving memoir." — ***The New York Times***

"A must-read for anyone who has ever loved and lost." — ***The Washington Post***
