Q: What level of English proficiency is required to use this book?

A: This book is designed for non-native English speakers who have intermediate to advanced English proficiency.

Q: How long should I study with this book?

A: The optimal study time varies depending on your current proficiency and the desired score you aim for. However, we recommend dedicating at least 3-4 months to thorough preparation.

Q: Is this book suitable for self-study or do I need a tutor?

A: Scoring Strategies for the TOEFL iBT is designed for both self-study and guided learning. It provides comprehensive materials and support to guide you through the preparation process. However, if you prefer personalized guidance, a tutor can provide additional support.

Q: What makes this book different from other TOEFL study materials?

A: Our book offers a unique combination of expert analysis, proven strategies, and personalized support. It provides an in-depth understanding of the exam format, tailored practice exercises, and exclusive online resources that empower you to achieve your target score.

Q: Where can I find more information about the TOEFL iBT?

A: You can visit the official ETS website for more information about the TOEFL iBT, including registration details and test dates.
