Additional SEO-friendly elements:

- **Descriptive alt text for images:** The alt text for images should describe the image in detail, including any relevant keywords. For example, the alt text for an image of a Native American elder could be: "A Native American elder wearing a traditional headdress and beaded necklace."
- **Use of keywords throughout the text:** The text should include relevant keywords throughout, including in the headings, subheadings, and body text. For example, the keyword "Native American spirituality" should be used several times throughout the text.
- **Inclusion of social media sharing buttons:** Social media sharing buttons should be included on the page to make it easy for visitors to share the article with others.
