In August 2008, eleven climbers perished on K2, the world's second-highest mountain. Among them were some of the most experienced mountaineers in the world. What happened on that fateful day? And why did so many people die?

No Way Down is the gripping account of the 2008 K2 disaster. Based on interviews with survivors, rescuers, and family members, the book tells the story of those who were caught in the storm and the heroic efforts to save them.

The book is a must-read for anyone interested in mountaineering, adventure, or survival stories. It is a powerful reminder of the dangers of climbing and the fragility of life.

## Reviews

***““A gripping account of one of the deadliest mountaineering disasters in history. No Way Down is a must-read for anyone interested in adventure or survival stories.” — Publishers Weekly”***

***““A powerful and moving account of the 2008 K2 disaster. No Way Down is a testament to the indomitable spirit of those who climb mountains.” — Kirkus Reviews”***
