

# Titans of '72: The Team Canada Summit Heroes

The 1972 Summit Series was an eight-game ice hockey series between the Canadian national ice hockey team and the Soviet Union national ice hockey team. The series was played in September 1972, and it was one of the most significant sporting events in Canadian history.

The Soviet Union was the dominant ice hockey power at the time, and they were heavily favored to win the series. However, the Canadian team, which was made up of some of the best players in the world, played with heart and determination and managed to win the series 4-3-1.

The series was a major sporting event, and it was watched by millions of people around the world. The Canadian victory was a major upset, and it helped to restore national pride in Canada.
