Prepare to be captivated by the enigmatic world of Agent Pendergast, a brilliant FBI Special Agent with an uncanny ability to delve into the darkest corners of the human psyche. In the thrilling *Brimstone Dance of Death* and *Isle of the Dead Omnibus*, authors Preston & Child present two gripping novels that will keep you on the edge of your seat.

Brimstone Dance of Death

In the heart of Manhattan's bustling metropolis, a series of gruesome murders rocks the city to its core. The victims, seemingly chosen at random, bear a haunting resemblance to characters in Dante's *Inferno*, the classic tale of Hell's torments. As Agent Pendergast investigates, he uncovers a sinister plot that threatens to unleash chaos upon the city.

Teaming up with his trusted partner, Lieutenant Vincent D'Agosta, Pendergast delves into a twisted labyrinth of clues, each one more chilling than the last. From the depths of the city's underbelly to the hallowed halls of academia, they track a cunning killer who delights in tormenting his victims before delivering their ultimate fate.

With each step closer to the truth, Pendergast uncovers a web of ancient secrets and malevolent forces that threaten to consume both him and the entire city. As the body count rises and time runs out, Pendergast must confront the darkness within himself to stop a madman's reign of terror.

Isle of the Dead

The tranquil waters of the Hudson River hide a sinister secret. When a group of scientists embark on an expedition to an isolated island, they stumble upon the remnants of a forgotten civilization and a gruesome discovery that threatens to destroy their lives.

Agent Pendergast and Lieutenant D'Agosta are called in to investigate the strange disappearance of the scientists. What they find is a desolate island shrouded in mist, where nightmares become reality and the living dead roam the land. As they explore the island's eerie ruins and uncover its macabre history, they realize that something ancient and powerful has been awakened.

With every step, Pendergast and D'Agosta descend deeper into a realm of darkness and despair. They must confront their own mortality as they face the horrors that lurk in the shadows, desperate to claim their souls. As the lines between reality and nightmare blur, Pendergast must confront his own demons to save not only himself but the entire world.
