With over 1,000 entries, the Encyclopedia of Superstitions is a veritable treasure trove of knowledge on this captivating subject. Radford delves into the depths of human history, exploring the roots of superstitions in ancient myths, religious beliefs, and cultural traditions. He traces the evolution of

superstitions over time, showing how they have shaped our societies and influenced our behavior.

A Journey Through Time and Culture

The Encyclopedia of Superstitions takes readers on a journey through time and culture, revealing the diverse range of beliefs and practices that have existed throughout the world. From the ancient Egyptians' fear of cats to the Victorian era's preoccupation with spiritualism, Radford uncovers the fascinating stories behind superstitions, both familiar and obscure.

Radford's meticulously researched entries provide a wealth of information on the origins, meanings, and cultural significance of each superstition. He explores the psychological and social factors that have contributed to the

persistence of superstitions, offering insights into our collective human experience.

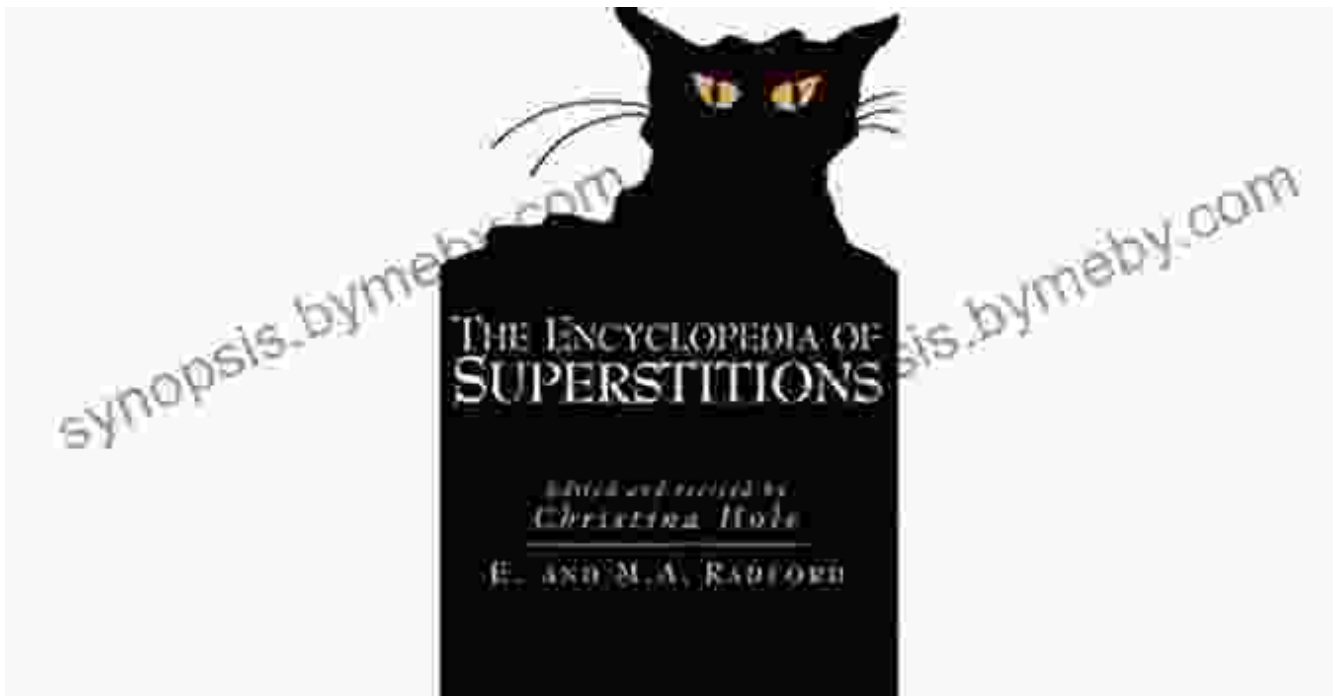

Unveiling the Human Psyche

The Encyclopedia of Superstitions is not merely a catalog of beliefs and practices; it is also a profound exploration of the human psyche. Radford delves into the psychological underpinnings of superstitions, examining the fears, hopes, and insecurities that drive our belief in the supernatural.

Through his insightful analysis, Radford reveals how superstitions provide a sense of comfort and control in an uncertain world. They offer us a way to cope with the unknown, to make sense of our experiences, and to protect ourselves from harm.

An Invaluable Resource for Scholars and Enthusiasts Alike

The Encyclopedia of Superstitions is an indispensable resource for scholars, students, and anyone with a keen interest in the subject. Its comprehensive coverage and meticulous research make it an authoritative reference work on superstitions around the world.

Edwin Radford was a renowned folklorist and author who dedicated his life to studying superstitions and other aspects of folk culture.

For those fascinated by the enigmatic world of superstitions, the Encyclopedia of Superstitions is an essential companion. It will provide hours of captivating reading, offering a deeper understanding of the beliefs and practices that have shaped human history and continue to influence our lives today.

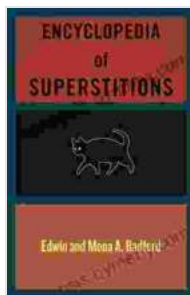

Embark on an Extraordinary Journey

Embark on an extraordinary journey into the world of superstitions with the Encyclopedia of Superstitions by Edwin Radford.
